

TOWN OF BIG BEND
DRIVEWAY PERMIT APPLICATION
\$25.00 Fee Must Be Submitted With Application

Applicant's Name: _____ Date: _____

Address: _____ Phone: _____

Address of Proposed Driveway/Culvert: _____

Section: _____ Town 33N Range 8W

The proposed driveway will provide access to STH _____ CTH _____ Town Rd _____

Proposed Land Use of Property: _____

***Provide a sketch of proposed driveway, including grade, slope, width and length of driveway on back of this application. Specify erosion control measures to be used.

The following specifications shall apply.....

Minimum of six (6) inches of gravel shall cover the driveway.

Minimum road surface width of 12 feet

Minimum width clearance of 24 feet

Maximum height clearance of 18 feet

Maximum grade of 10 feet

Galvanized / Plastic – Corrugated – Town to recommend

The driveway within the area of public right of way shall slope away from the public road in a manner sufficient to prevent erosion onto the public road. An adequate road bed base of suitable material to support the projected traffic and all requirements for culverts, including size and length, shall be determined by the Town Board in considering an application for driveway approval. End flares may be recommended by the Town Board.

All driveways shall be constructed in accordance with the above requirements and other specifications as may be set forth by the Town Board. The maintenance of the driveway and culvert(s) shall be the responsibility of the applicant and/or property owner. Culvert may not be installed until approval of Town Board Official.

Applicant Signature: _____

PERMIT
